

For over 15 years, Rescue ONE Connector Boats has been *the* name in specialized small boats for rescue, dive, and waterfront firefighting. We have now partnered with Metal Shark Boats to meet the needs of missions that require more speed, more capacity, or more water. The same durability, stability, and versatility you have come to trust in a Rescue ONE Connector Boat, coupled with Metal Shark Boats' ability to provide military quality large boats, makes this line of Fire Rescue Boats *the choice* for your agency.
